The Clover Hill High School Athletic Association is the booster club for all *Cavalier* athletic teams. The primary purpose of the Athletic Association is to raise money to support the athletic teams at Clover Hill High School. The athletic program receives no funding from Chesterfield County. The funds raised by the Athletic Association help purchase uniforms, equipment, medical supplies, awards, field upgrades and maintenance; they are also used to pay officials. Additional funds are generated through gate receipts, concession sales and corporate advertising and sponsorship.
